## Introduction day

We organize the Introduction Day for all Incoming students on 29 September 2017. You will be informed about details via email.

## Schedule and Academic Year

2nd day of October is the first day of the new academic year 2017/2018.

It is also the first day of classes and lectures. Students have to refer to the coordinators in order to discuss the schedule. Students of medicine and dentistry have to create their own schedule according to the one which is available for the English Division students. Please make sure you choose the courses which are in your Learning Agreement for studies. If you want to add/delete a course, you have to refer to the departmental coordinator, who has to accept the change. Students who wish to have Erasmus+ placement have to discuss details of their training before arrival with the responsible coordinator.

## List of the coordinators

## Student's ID

As an Erasmus+ student you get a student's card (legitymacja studencka). It is the most important document for each student. You need *legitymacja* to borrow books from the libraries, to obtain discounts on public transport, cinema and museum tickets etc. It costs 17 zł.

## Polish Language Course

Additionally, we offer a Polish language course for beginners which usually starts in October (for the winter semester and it may continue in summer semester). The course is free of charge and you may get ECTS points at the end of the course.

## Healthcare

All incoming students from EU should obtain the European Health Insurance Card for which they apply in their own country. Information about Polish insurance: www.nfz.gov.pl

This leaflet has been published thanks to financial support of the Erasmus+ programme funds.
