

Safety regulations for the student's learning position

Student's responsibilities

1. The student is obliged to be on time according to the class schedule.
2. The student is obliged to conscientiously and diligently prepare for classes (in accordance with the adopted schedule).
3. The student is obliged to follow the instructions of the person responsible for conducting the exercises.
4. It is the student's obligation to know the rules and principles of health and safety at work and to comply with them.
5. The student is obliged to immediately notify the teacher about the observed accident at work or the threat to human life or health. Also in the case of failure of the equipment, the lecturer should be notified.
6. When handling electrical appliances, please carefully follow the instructions for use of these devices.
7. The student is obliged to care for the welfare of the Medical University facility, to protect its property and to keep confidential information, the disclosure of which might expose the institution to a detriment.
8. The student is obliged to observe the rules of social coexistence.
9. The student is obliged to leave his work station intact.
10. There is an absolute ban on smoking in all facilities of the Medical University.

Head of the Department of Humanistic Sciences In Medicine

dr hab. Jarosław Barański
